

SAME Industry Day

Readiness - Safety - Leadership

Alex Mignery
Chief of Project Management

375th Civil Engineer Squadron

AGENDA

Engineers Lead the Way

- **Civil Engineer Squadron Overview**
- **Engineering Services**
- **FY25 Project Overview**
- **FY26 Projects On the Horizon**

375 CES Mission & Vision

Engineers Lead the Way

CIVIL ENGINEER SQUADRON MISSION

...to provide contingency-ready engineer forces anytime, anywhere, and sustain Scott's combat capability with our 400-person team

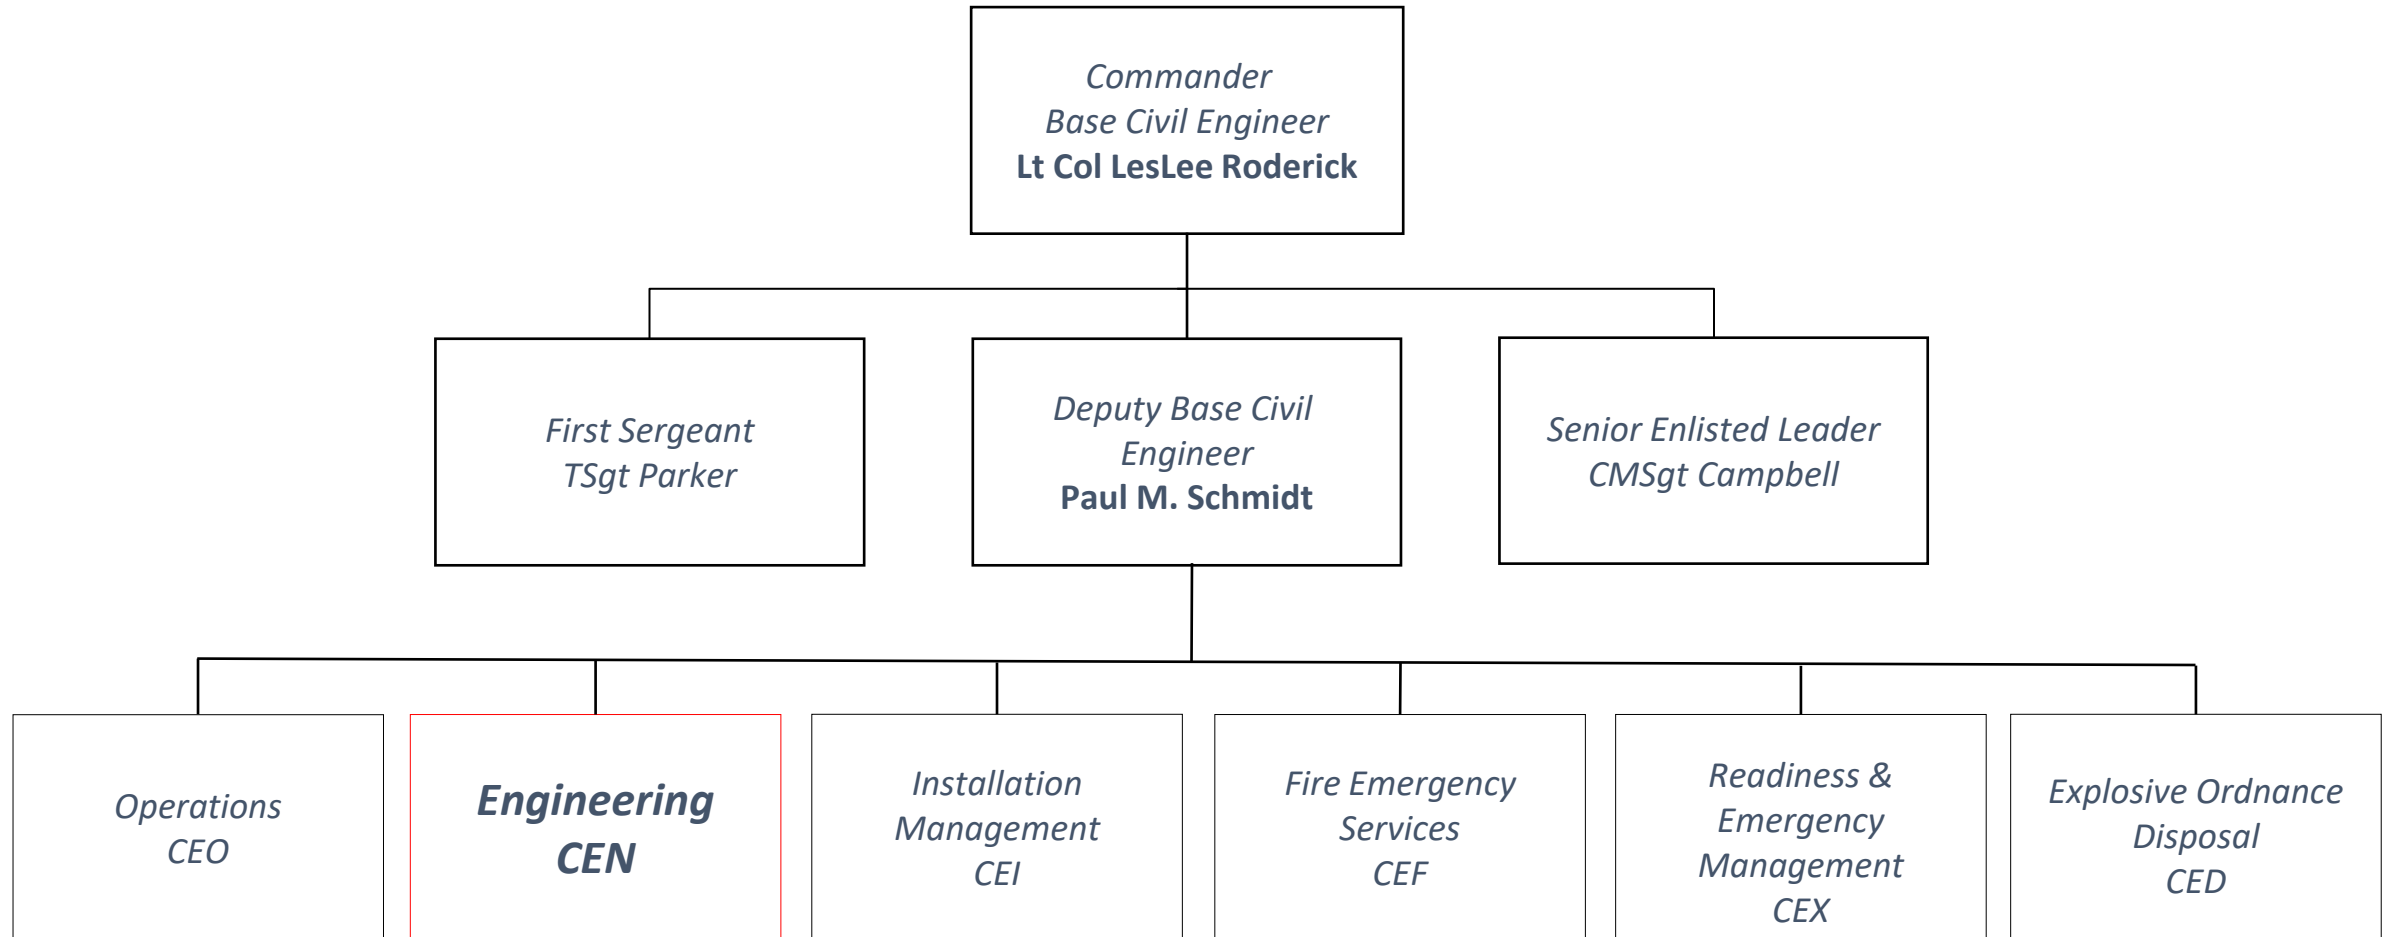

CIVIL ENGINEER SQUADRON VISION

Develop a trained, motivated, and cohesive workforce to deliver both ready engineers downrange, and unparalleled facilities, infrastructure, and services enabling "Help From Above."

375th Civil Engineer Squadron

Engineers Lead the Way

Flight Personnel

Engineers Lead the Way

- **Flight Chief: Mr. Eric Diehl, P.E.**
- **Flight Superintendent: MSgt Danielle Kaylor**
- **Portfolio Optimization Chief: Mr. Andy Rodriguez**
- **Project Management Chief: Alex Mignery**
- **PM Supervisor: Ms. Carol Voyles**
- **PM Supervisor: Mr. Craig Rednour**

Existing Engineering Services

Engineers Lead the Way

■ A/E IDIQ

- Solicited for new contract in 2025
- Aiming for 5 Architect / Engineering firms; Local companies & Joint Ventures

■ MACC

- Awarded 2024 for 8-yrs
- 11 companies

■ MAPC

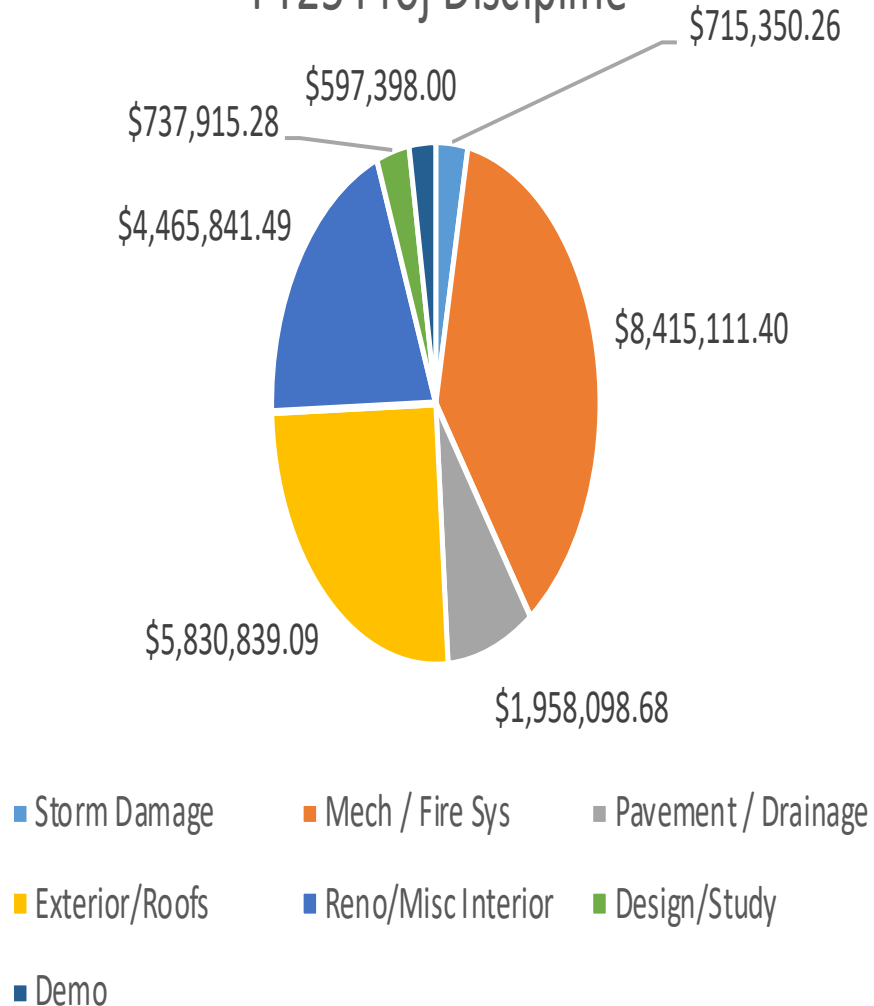

- Awarded 2025 for 8-yrs
- 8 companies

■ SABER

- Awarded 2024 to Anderson & Sons
- Looking to solicit a 2nd SABER contract later this year

FY25 Sustainment, Restoration & Modernization Program: Total = \$22,720,554

FY25 Proj Discipline

Mechanical: \$8,415,111

- REPAIR, Replace AHU #4 and Return Fan, USTC; B1961: \$1,787,482
- REPAIR, Shiloh Gate HVAC System, 375 CES; B1004: \$59,457

Pavement: \$1,958,099

- REPAIR, Full Depth Roadway Patching Along Scott Drive; F7700: \$298,383
- CONST, Open Lot Detention Basin, 375 CES; F8232: \$588,327

Exterior/Roofs: \$5,830,839

- REPAIR, Roof & Interior Renovations, 375 CES; B43: \$717,236
- REPAIR, Roof Replacement and Interior Renovations, 375 CES; B1533: \$350,782
- REPAIR, Roof & Wall Renovations on North Side, 618 AOC; B3189: \$129,855

Reno/Misc Interior: \$4,465,841

- REPAIR, Education & Training Center Restroom Reno, 375 FSS; B1650: \$95,970
- REPAIR, Parapet Walls and Interior Renovations, 375 CES; B1820: \$146,200
- REPAIR, Renovation of Chapel's Kitchen, 375 AMW; B1620: \$57,942

Design/Study: \$737,915

- STUDY, Wastewater Treatment Plant & EPA Standards Upgrades: \$259,191
- STUDY, Geotechnical Investigation Over Tunnel at Taxiway Pavement: \$64,967

Demo: \$597,398

- DEMO, Rockwell Hall; B1930: \$509,578

Storm Damage: \$715,350

- REPAIR, Roof & Interior Renovation, Storm Damage, 375 CES; B1961: \$593,702

FY26 Sustainment, Restoration & Modernization Program

Engineers Lead the Way

■ Local (Decentralized) Projects

REPAIR, Dog Kennel Grounds
REPAIR, Dog Kennel Grounds
REPAIR, Rebuild EOD Range
REPAIR, Shoulder Drain near Taxiway E Apron
REPAIR, Scott Dr. & Birchard intersection
REPAIR, B4010 HVAC
MAINT, FOD Prevention on Taxiway G Shoulders
MAINT, Airfield Striping and Pavement Maintenance, 375 OSS; F7000
REPAIR, Replace Kitchen Drains in B1800
REPAIR, B500 HVAC
REPAIR, Hangar 1 HVAC

On the Horizon

Engineers Lead the Way

- **Large (Centralized) Projects (next 5+ years)**
 - **Airfield Work**
 - Taxiway Golf Repair
 - **Stormwater Management**
 - Scott Drive reconstruction → deferred to complete major construction projects
 - Hangar Road Drainage
 - South Ditch Widening
 - **Dorm Renovations**
- **Expected large uptick in Facility Sustainment, Restoration & Modernization (FSRM) in FY27**
- **Demolition**

Bldg 1600

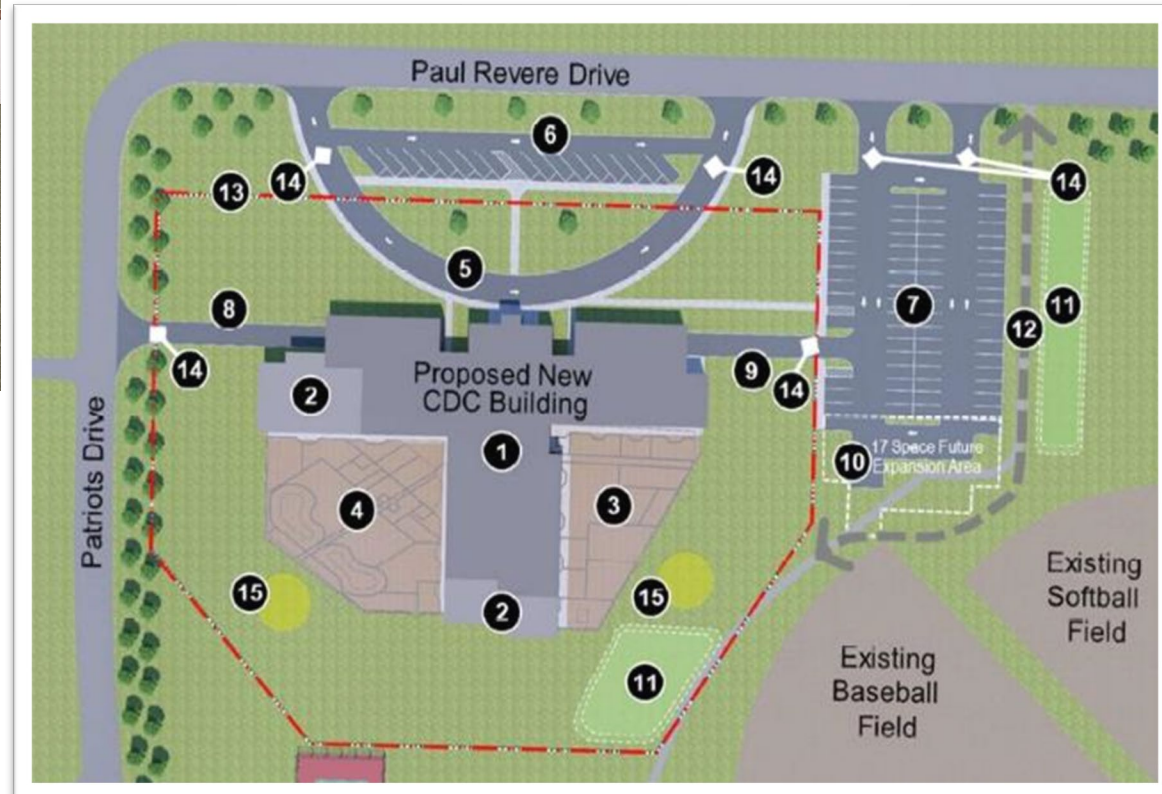

- Repair HQ AMC (Bldg 1600)
- Awarded to Korte-River City JV
- ECD: Spring 2027

Child Development Center

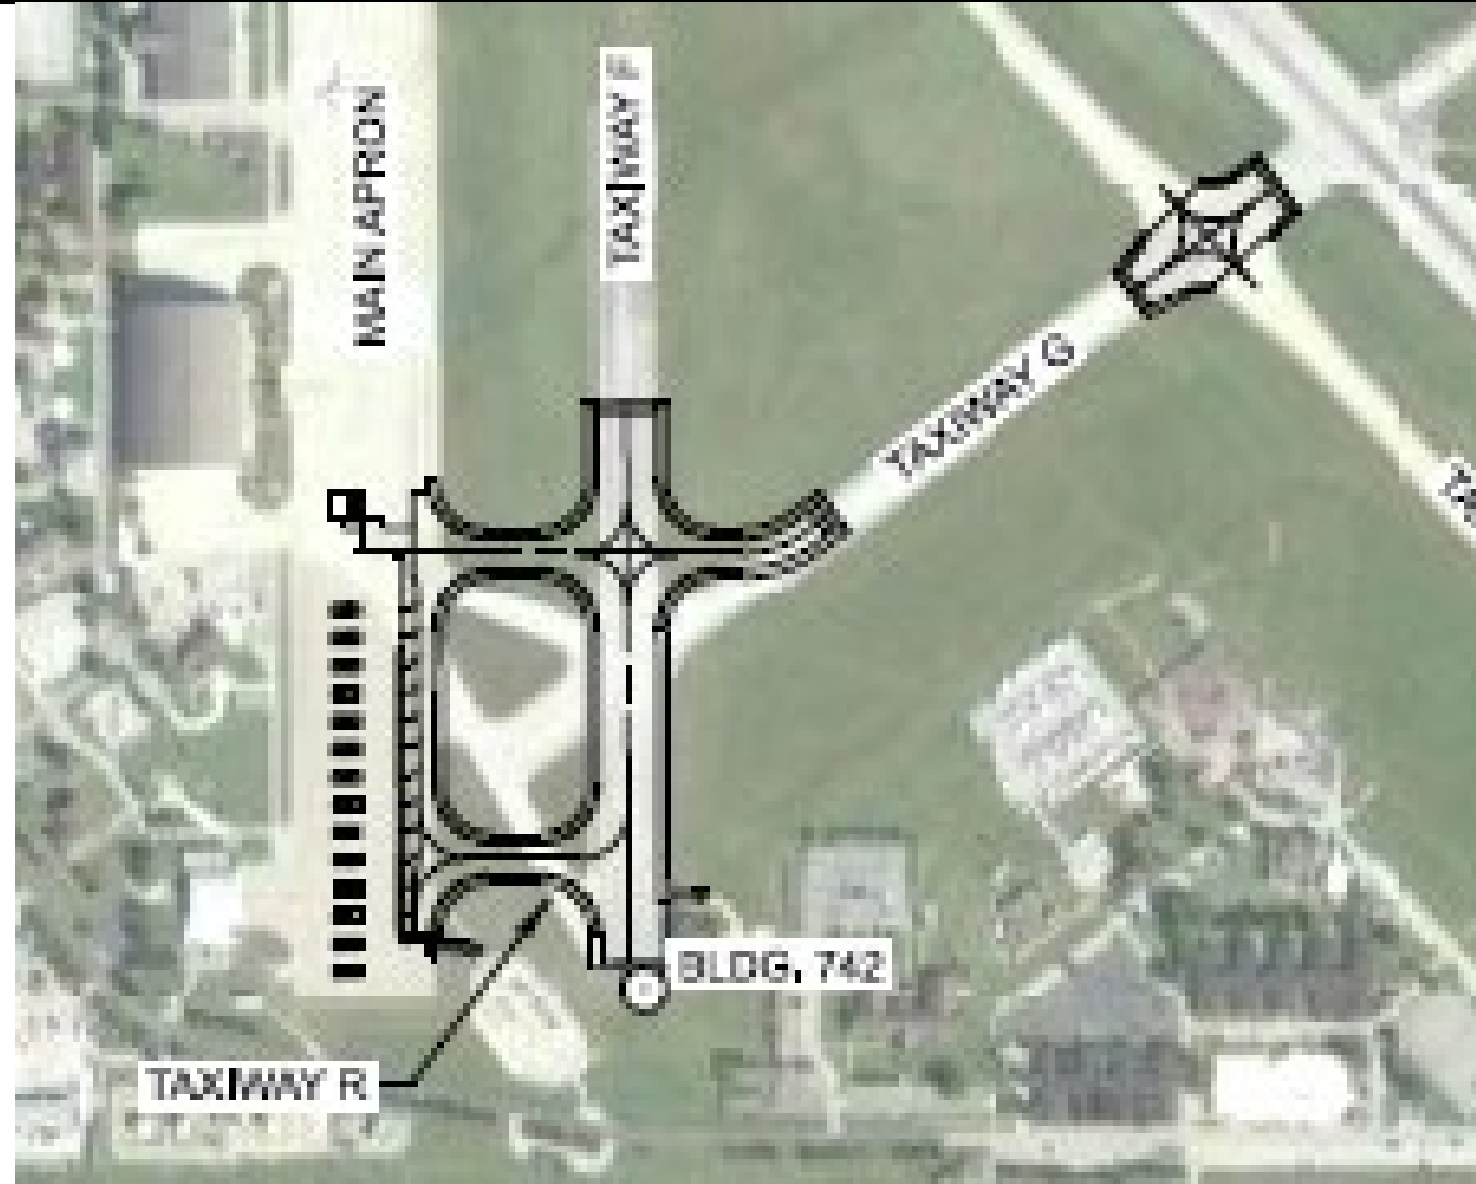

- Construct new Child Development Center
- Awarded to Zodiac Poettker JV
- ECD: End of 2026

Taxiway F/G/R Reconstruction

- Reconfigure Taxiway F/G/R intersections
- Project ensures wingtip clearance for all USAF cargo aircraft
- Awarded to FM McCarthy
- ECD: Spring 2028
